SERAVELLE

The Seravelle Shade Cabana introduces a contemporary expression of outdoor luxury. Its clean, architectural frame offers a striking yet effortless presence, while sheer drapery panels soften the silhouette with a sense of light, flowing elegance. Generously cushioned lounge beds create a plush, inviting retreat, complemented by warm wooden armrest accents that add a refined natural touch. The open-slat canopy filters sunlight beautifully, creating an interplay of shade and ambience throughout the day. Designed for premium resorts, private villas, and modern outdoor sanctuaries, the Seravelle Shade Cabana delivers both comfort and visual serenity — a tranquil, elevated destination in any landscape.

DUNE

This cabana mimics the aesthetic of luxury desert camps — soft sand tones, geometric lines, and structured fabric shades that filter light like a nomadic tent. It's meant to be self-contained, cozy, and earthy. The layered screens add a sense of privacy and serenity, making it perfect for wellness retreats or high-end spa zones.

KANSO

This design came from the idea of a Japanese Zen garden meeting Scandinavian architecture. We stripped everything unnecessary and focused on form, function, and peace. The black frame, wooden base, and seamless cushions create a tranquil atmosphere. It's for the minimalist — the guest who wants to lie back with a book, not a crowd.

ALTHERA

The Althera Dual Serenity Cabana is designed for elevated outdoor living, blending modern geometry with understated luxury. Its sculpted aluminum frame creates a bold architectural presence, while the dual adjustable loungers offer individually tailored comfort. Soft, performance-grade cushions deliver a plush lounging experience, complemented by elegant side screens and a floating canopy that filters sunlight with effortless grace. Crafted for high-end resorts and discerning residential spaces, the Althera

~~Cabana brings~~ Cabana brings together durability, comfort, and sophistication – a serene retreat that transforms any poolside or beachfront setting into a private sanctuary.

SOMBRA

The Sombra Lounger Cabana embodies pure modern minimalism—sleek, architectural, and effortlessly sophisticated. Its matte black frame and deep charcoal cushions create a bold monochrome aesthetic, offering a sense of privacy and calm in any outdoor setting. The adjustable dual loungers are designed for personalized comfort, allowing you to shift from reclining to fully relaxed with ease. Overhead, the structured canopy provides refined shade, while the rear mesh panel softens sunlight and wind, enhancing comfort without interrupting the clean lines of the design. Crafted with weather-resistant materials and a sturdy, geometric frame, the Sombra Lounger Cabana is a standout choice for contemporary resorts, luxury villas, rooftop pools, and exclusive beach clubs seeking a striking, modern presence.

SUNDARA

The Sundara Lounger Cabana is designed as a tranquil escape, blending modern structure with soft, resort-level comfort. Its clean steel frame pairs elegantly with warm timber slats, creating a harmonious balance between contemporary design and natural warmth. Flowing curtains drape each side, offering the freedom to shift between open-air lounging and private retreat. At its heart, the dual adjustable loungers provide personalized comfort— perfect for sunbathing, relaxing with a book, or unwinding after a swim. The space feels intimate yet open, transforming effortlessly with sunlight, breeze, and mood. Crafted with premium outdoor materials and meticulous detailing, the Sundara Lounger Cabana enhances any high-end outdoor environment, from beachfront villas to boutique resorts and poolside lounges.

TIMBER HAVEN

The Timber Haven Cabana is a contemporary outdoor sanctuary designed to bring warmth, balance, and sophistication to any exterior space. Built with a rich timber frame and accented by vertical slatted screens, it blends natural materials with modern architectural clarity.

Its open, airy structure offers shade while maintaining a seamless connection to the outdoors. The adjustable canopy filters sunlight softly throughout the day, creating a calm, inviting atmosphere for lounging, socializing, or private relaxation.

Inside, the spacious layout effortlessly accommodates modular seating, making Timber Haven ideal for villas, resorts, beach clubs, spas, or elevated residential outdoor living. Every detail—from the clean lines to the well-resolved joints—reflects durability, comfort, and timeless design.

SARI

This cabana was inspired by the timeless allure of Balinese rattan craftsmanship. The woven texture, soft neutrals, and warm wood tones reflect traditional tropical luxury. We wanted to create something that felt like an elevated island escape – comfortable, natural, and grounded in heritage. The design merges artisanal techniques with clean modern geometry to give it a boutique resort feel.

SOLEYA

The Soley Cabana delivers the perfect blend of high-end style and unbeatable resilience, serving as a luxurious, low-maintenance retreat for any outdoor space. While exuding the warm, sophisticated look of premium timber—thanks to its specially treated, textured panels—the entire structure is engineered from 100% high-grade aluminium, ensuring it is completely rust-proof, resistant to the elements, and incredibly durable for year-round enjoyment, complemented by flowing white drapes for instant privacy and seaside charm.
